National Preparedness Month (NPM), recognized each September, provides an opportunity to remind us that we all must prepare ourselves and our families now and throughout the year. This NPM will focus on planning, with an overarching theme: **Disasters Happen. Prepare Now. Learn How.**

Take time to learn lifesaving skills – such as CPR and first aid, check your insurance policies and coverage for the hazards you may face, such as flooding and wind damage. Make sure to consider the costs associated with disasters and save for an emergency. Also, know how to take

practical safety steps like shutting off water and gas.

Disasters can strike quickly and without warning, rendering even the most prepared of us feeling helpless. NPM also falls in the middle of hurricane season, which is a great time for Houstonians to think about and prepare for what to do in case of an emergency.

Here are some resources to review to help you plan:

Hurricanes: <https://disasterinfo.nlm.nih.gov/enviro/hurricane.html>

Floods: <https://disasterinfo.nlm.nih.gov/dimrc/floods.html>

Harvey Health information bulletins:

<https://content.govdelivery.com/accounts/USNLMDIMRC/bulletins/1b49585?reqfrom=share>

PREPARATION

Track the storm via the [National Hurricane Center](#).

Make sure your insurance and disaster recovery vendor contact information is readily available.

Back up electronic records and store the back-ups off-site or in the cloud.

Secure outdoor furniture, bike racks, book drops, signage, etc. – anything that can become a projectile in strong winds.

Move important documents and heirlooms that are in areas vulnerable to flooding (i.e., the floor, lower levels of your house) or susceptible to rain (near windows or under roofs) out of harm's way.

If you have time, cut lengths of plastic sheeting to be able to throw them over shelves, cabinets, or equipment should the building envelope be compromised.

Review individual or family plans.

RECOVERY

Keep this 24/7 hotline number handy: 202.661.8068. The [National Heritage Responders](#), a team of trained conservators and collections care professionals administered by the Foundation of the American Institute for Conservation, are available 24/7 to provide advice.

See the [Northeast Document Conservation Center's Emergency Resources](#) or contact NEDCC's 24/7 Emergency Hotline at 855-245-8303.

Download the [FEMA mobile app](#) for disaster resources, weather alerts, and safety tips. The app (available in English and Spanish) provides a customizable checklist of emergency supplies, maps of open shelters and recovery centers, disaster survival tips, and weather alerts from the National Weather Service. The app also enables users to receive push notifications reminding them to take important steps to prepare their homes and families for disasters.

For tips on what to do before, during, and after a hurricane, go to <https://www.ready.gov/hurricanes>.

Familiarize yourself with the [disaster declaration process](#) in case one is declared for your state.

For at-your-fingertips salvage advice, download the free [ERS: Emergency Response and Salvage app](#) from the Foundation of the American Institute for Conservation.

Download FEMA's [After the Flood: Advice for Salvaging Damaged Family Treasures](#) fact sheet, with tips and resources for individuals and institutions.

Download the FEMA fact sheet [Salvaging Water-Damaged Family Valuables and Heirlooms](#), which offers tips and resources on salvaging different types of objects, from photos to fabric to furniture, and more.

September leads into October, which is Archives Month, when we celebrate all things archives-related. In addition to having an emergency plan in place to protect yourself and your family, Archives Month is good time to start thinking about a plan to protect your valuable family records, heirlooms, and your genealogy research in case of an emergency.

HMRC will be offering programming in the upcoming months to help in emergency preparedness and recovery. Here are some planned programs we have for NPM and Archives Month:

A. Contributions

From time to time, the Friends of the Texas Room will purchase and contribute to the Houston Metropolitan Research Center of the Houston Public Library items that will enrich and enhance the above-named collections and ensure their preservation.

All such contributions will be purchased by the Friends directly and then given to the Library with specific stipulations as to how such contributions are to be used by the Library to enhance and ensure the preservation of the HMRC collections.

The Friends will give no money directly to the Library.

The Friends will not buy expendable supplies for the Library.

The Friends will not fund Library personnel.

B. Relationship to Administration and Staff

The Friends of the Texas Room is not to be involved in the administrative or employee actions of the Center, except that the Friends can question policies which, in its opinion, negatively impact the ability of the Center to provide service to the public.

CULTURAL MATCHING GIFTS

Are you or your spouse working for or retired from a corporation which makes cultural matching grants or volunteer involvement awards if you give to or do volunteer work for a cultural institution?

Will your employer match your gifts to cultural institutions that qualify under Section 501(c) (3) of the Internal Revenue Service Code?

The Friends of the Texas Room has such a qualification. Send your corporation's cultural matching funds form with your check for membership in FTxR. If you volunteer your time as an officer of FTxR or in the Texas Room or HMRC, keep track of your hours and turn them in to your corporation so that the FTxR may obtain a grant from your corporation's program. This is "found money" for FTxR and can be used towards making a difference to the Texas Room and HMRC.
