FRIENDS OF THE TEXAS ROOM MEETINGS

This year all meetings will be held on Monday evenings at the Museum of Printing History unless otherwise reported. All meetings begin with a reception at 6:30 followed by the program at 7:00. Please mark your calendars for future meetings: April 30th, July 23rd, and October 22nd.

THE PRESIDENT'S COLUMN

Dear Friends,

You are a very knowledgeable and talented group of people, and we need your input. A Community Outreach Committee is being formed to promote awareness of and interest in the HMRC/ Texas Room within the Houston community. Chaired by Friends Vice President Sims McCutchan, the committee is charged with developing a plan which will include working with the news media and making presentations about the historical resources in the HMRC/ Texas Room to community organizations. There are two positions open on the committee, and we would like to fill them with Friends members who are willing to give of their time and expertise. If you are interested, please e-mail Sims at smccutch@flash.net.

In addition, the committee would like to create a speakers bureau for which they would train Friends members willing to attend meetings of other community organizations to promote the HMRC/ Texas Room. If you would enjoy helping us in this way, please contact Sims.

The Architectural Archivist has asked the Friends to recruit a long-term volunteer willing to work a minimum of one day a week to enter descriptive information from architectural files into a Microsoft Access Data Base.

Also needed is a volunteer able to transcribe oral history tapes onto Microsoft Word documents.

If you are qualified to fill either of the above two volunteer jobs and one of them appeals to you, please e-mail Steve Hill at steve.hill@cityofhouston.net.

One more filming session is scheduled before the documentary enters the editing stage. This session will focus on existing landmarks which are on the sites of earlier buildings, photos of which will be featured in the documentary. In this way we will be able to tie the past history of our city to the present.

Finally, I am delighted to announce that Dr. Michael Botson, our speaker for the membership meeting on April 30, was interviewed on KUHF public radio about the program he will present to the Friends. The interview will be aired on or before the meeting date.

Stay tuned!

Dorothy Knox Houghton

NEWS FROM THE TEXAS ROOM

by Steve Hill, Manager of the Texas Room and
Ann Otto, Assistant Manager of the Texas Room

This month the Julia Ideson Preservation Partners met to begin planning the capital campaign to fund the renovation and addition to the Julia Ideson Building. In February Mayor White met with the group to tour the archives. The group has also posted a web-based survey at www.ideson.org to collect input from visitors who have used the building.

A major new exhibit appears in the main foyer this month highlighting photographs of Houston's sister city, Shenzhen, China. In addition to photographs, the exhibit features traditional clothing and kites. The library hosted an opening for the exhibit, which was attended by the Houston Shenzhen Sister City Association, the Consulate General of The People's Republic of China in Houston, and other organizations. It will be on display through May 30th. A smaller exhibit of materials from the HMRC collections may be viewed on the second floor. The theme is the Chinese in Houston and Texas. It also will be up through May 30th.

Recently we have received research interest in the Whitmire papers. HMRC is the repository for the former Houston mayor's papers. The collection is large and documents the administration of Houston's first female mayor. We continue to work on fully processing the collection for use by future researchers.

MINUTES OF THE JANUARY 22ND, 2007, MEETING

President Dorothy Knox Houghton introduced Minnette Boesel, one of the committee members, along with Margaret Skidmore and Phoebe Tudor, who will

be chairing a meeting about the plans for the extension of the Julia Ideson building of the Houston Public Library on Saturday, February 3, from 9:00 – 1:00, at the Ideson Building.

Jeff Lindemann presented Dr. Roger Wood, the speaker for the evening. Dr. Wood is an award-winning professor of English at Houston Community College and author of two books on Houston's music, including *Down in Houston* and *Texas Zydeco*. He spoke on "Digging the Houston Roots in Blues and Zydeco History."

Dr. Wood first expressed his appreciation of James Fraher, photographer and collaborator in his history of Houston music. He said he was also indebted to the Texas Room for research materials on Houston jazz, blues, and zydeco. He noted that zydeco, a fusion of the blues and the old Louisiana Creole "La La" music, was born in Houston, and he described the El Dorado Ballroom, which has been donated to Project Row Houses, as a metaphor for Houston as a musical crossroads.

Dr. Wood and Steve Hill, Manager of the Texas Room, both stressed the importance of archiving Houston's historical materials in Houston.

After thanking Dr. Wood, Dorothy Knox Houghton noted a correction in the minutes of the last general meeting (the Board approved \$4,500 for the documentary, if necessary, and \$4,777 for microfilm cabinets). A motion to amend the minutes was approved. The treasurer reported a balance of \$19,753.72 in the checking account, \$10,000 in the savings, plus \$179.40 interest.

In other announcements, Mrs. Houghton said eight people had been interviewed for the documentary and that a conference on the future of libraries was to be held at Rice University under the auspices of the Glasscock School for Continuing Studies on March 5th – 7th, with speakers from the British Museum, the library at Alexandria, Egypt, and elsewhere.

The Friends of the Texas Room needs volunteers for its Hospitality Committee and for public relations. On February 5th the Texas Library Association will be in Austin to request an increased budget for all libraries in the state.

The membership now stands at 102.

The motion to adjourn was seconded and approved.

Respectfully submitted,

Mary S. Dix, Secretary

CULTURAL MATCHING GIFTS

Are you or your spouse working for or retired from a corporation which makes cultural matching grants or volunteer involvement awards if you give to or do volunteer work for a cultural institution?

Will your employer match your gifts to cultural institutions that qualify under IRS 501(c)(3) of the Internal Revenue Service Code?

The Friends of the Texas Room has such a qualification. Send your corporation's cultural matching funds form with your check for membership in FTR. If you volunteer your time as an officer of FTR or in the Texas Room or HMRC, keep track of your hours and turn them in to your corporation so that the FTR may obtain a grant from your corporation's program. This is "found money" for FTR and can be used towards making a difference to the Texas Room and HMRC.
