THE PRESIDENT'S COLUMN

Dear Friends,

On October 23RD, the Friends will hold their 2006 annual meeting during which we will elect the board for the next two years. You will find the Nominating Committee's report elsewhere in this newsletter.

There will be a two-part program that evening. A representative from the Office of the Director of the Library will show "A Vision for the Gregory School," a short video recently developed to educate the public about the plans to renovate the Gregory School located in historic Freedman's Town. Following that presentation, Jim Bailey of Sunset Productions will give us a brief preview of the documentary he is producing on the collections at the HMRC. Both programs will be very enlightening, and we are hoping for a large turn-out from the membership.

On October 25TH, the Friends will co-host a reception and book-signing at the Czech Cultural Center with the Harris County Historical Commission, the Rice Historical Society, and the Yale Club of Houston honoring Godfrey Hodgson, author of Woodrow Wilson's Right Hand, The Life of Colonel Edward M. House. By now you should have received a separate invitation to this event.

Colonel House was born in Houston in 1858, the son of former Houston mayor and prominent Houston businessman, Thomas W. House. He was one of the earliest Houstonians to achieve legendary political power in Washington, D. C. The Friends voted at our last meeting to purchase a copy of this book and give it to the Texas Room. The book has been purchased, and we will ask Mr. Hodgson to autograph it at the party before we present it to the Library.

Finally, your board has voted to spend \$4,777.32 to purchase three cabinets for storing microfilm in the Texas Room. The Texas Room staff is purchasing a large amount of additional newspapers on microfilm for which they need storage cabinets. In addition, several of their existing cabinets need to be replaced. We are very happy to be able to accommodate this request.

I look forward to seeing you on October 23RD and October 25TH !

Dorothy Knox Houghton

MINUTES OF THE JULY 24TH, 2006, MEETING

Friends of the Texas Room met July 24, 2006, at 7:00 p.m. at the Museum of Printing History, 1324 W. Clay. An informal reception was held before the business meeting. President Dorothy Knox Houghton called the meeting to order

at 7:15 p.m. after which she thanked the Museum of Printing History for providing a meeting place for the organization.

The president introduced Mayor Bill White, who reminded the group that library systems are changing and that new information sources are constantly becoming available. He suggested that our challenge is to embrace these changes as we also protect the library's historic properties including the Julia Ideson Building and the collections of historic materials. Mayor White stressed the importance of the library's Archives in studying Houston one hundred years from now. We can become a model for other cities as we relate our history, but both public and private funding will be necessary for this to occur. Mayor White entertained several questions at the conclusion of his remarks.

The president then introduced Dr. Rhea Brown Lawson, Director of the Houston Public Library. Dr. Lawson stated that the Houston Public Library has the necessary ingredients to become a great system but that process will require change. She introduced the library theme adopted for 2007-2008: E to the 6th Power, which includes Equitable access to information; Extraordinary customer service; Enhanced programming; Extended outreach in forming partnerships; Exceptional service to families, children, and teens; and Exciting promotion of services, collections, and programs. Dr. Lawson reported that some changes are already underway, specifically the renovation of the Julia Ideson Building auditorium, the \$9 million renovation of the Jesse Jones Building, the formation of a City of Houston Archives, the forthcoming groundbreaking for the Gregory School project, the campaign to renovate the entire Clayton Library complex, and the ongoing efforts to create a wireless component throughout the system. Dr. Lawson concluded her remarks by saying that the Texas Room is an invaluable part of the Houston Public Library and that she supports strengthening its role.

The president opened the business session by introducing Steve Hill, the new manager of the Texas and Local History Department, after which the minutes of the April 24, 2006, meeting were approved as printed in *The Dispatch*. The organization's bylaws, which had been revised by a special committee and printed in *The Dispatch*, were approved for adoption by the membership. It was announced that Sandra Lord will serve as Volunteer Coordinator for the Friends. The president announced the completion of the retrospective conversion of 1,092 collection maps, which the Friends funded. She also reported that work is well underway on the Houston Metropolitan Research Center documentary and introduced Jim Bailey, the producer of the film. Jeff Lindemann is currently securing a designer to create a Friends website; it will, hopefully, be in place by the end of the summer.

Treasurer George Werner reported that we currently have \$22,131.17 in our checking account and \$10,070.71 in our savings account. We paid \$1,925.36 on the maps project and have expended \$335.59 on the documentary, leaving us with \$6,664.41 in committed funds for the documentary project. The president

thanked Dorothy Johnson and George Werner for funds given by ExxonMobil in recognition of their volunteer activity with the Friends. The John McKnitt Alexander Chapter of the Daughters of the American Revolution has also encouraged its members to contribute to the Friends.

Al Davis, Chairman of the Harris County Historical Commission, announced that a biography of Col. Edward Mandell House has been published and that a copy will be placed in the Texas Room. Members voted to co-sponsor an appearance by the author when he visits Houston.

There being no further business, the meeting was adjourned at 8:20 p.m.

Respectfully submitted,

Betty Chapman, Secretary

CULTURAL MATCHING GIFTS

Are you or your spouse working for or retired from a corporation which makes cultural matching grants or volunteer involvement awards if you give to or do volunteer work for a cultural institution?

Will your employer match your gifts to cultural institutions that qualify under IRS 501(c)(3) of the Internal Revenue Service Code?

The Friends of the Texas Room has such a qualification. Send your corporation's cultural matching funds form with your check for membership in FTR. If you volunteer your time as an officer of FTR or in the Texas Room or HMRC, keep track of your hours and turn them in to your corporation so that the FTR may obtain a grant from your corporation's program. This is "found money" for FTR and can be used towards making a difference to the Texas Room and HMRC.
